Gopinathan Naidu

Senior Manager · Early Careers & University Hiring · Talent Operations · Talent Technology

Pune, India · linkedin.com/in/gnaidu · gnaidu05.github.io/portfolio

Senior Manager with **23+ years** across technology, operations, design and talent acquisition — including **12+ years at Capgemini**. Currently leads **West Zone Early Careers hiring** while continuing ownership of talent-technology, assessment-vendor, employer-brand and operational workstreams. Brings large-scale campus-hiring operations, technology enablement, vendor governance and automation together, on an earlier foundation of **IT infrastructure and information security**.

SELECTED CAREER IMPACT

21% → 56%	**18% → 2%**	**17,000+**	**~4,000**	**3,100 offers**
Referral hiring contribution	External vendor dependency	Letters of Intent released in four days	Final selects via Spoken English assessment	30K walk-ins 7 cities

Vendor evaluation, demos, capability comparison, UAT, integration and operational rollout.

Employer Brand & Engagement
Talent communication, Marcom coordination, campaigns, microsites and engagement programs.

Governance & Compliance
Data protection, Cybersecurity coordination, audit support and system guardrails.

IT Infrastructure & Security
Networks, servers, IT procurement, vendors, backups, IT policies and PCI DSS.

PROFESSIONAL EXPERIENCE

Capgemini India

Jan 2014 – Present · 12+ years

Apr 2024 – Present

Senior Manager

Early Careers / Fresher Hiring · Talent Branding & Operations · West Zone Campus Hiring leadership from 2025

- Lead **West Zone early-careers execution** across physical campus assessments, interviews, college stakeholders and regional hiring operations.
- Led a blended campus-season team of **7 team members, 2 subcontractors and 3 interns** while managing physical assessment and interview execution.
- Continue ownership of talent-system and assessment-vendor workstreams — vendor/platform evaluation, **Superset** enhancements, UAT, integrations and operational rollout.
- Support employer-brand communication, Marcom initiatives, data-protection/Cybersecurity coordination and audit/compliance requirements.

Capgemini India (continued)

Jul 2020 – Mar 2024

Manager

System Enablement, Design & Brand Liaison · Campus Hiring

- Led System Enablement, Design & Brand Liaison for Campus Hiring, including **Superset** enhancements, training and assessment integrations.
- Played a pivotal role in **Spoken English assessment-vendor selection and integration**, supporting **~4,000 final selects** and reducing manual interview effort.
- Enabled setup and release of **17,000+ Letters of Intent within four days** following legal approval.
- Supported DPO/Cybersecurity approvals, audit needs and talent-brand communication.

Jan 2017 – Jun 2020

Senior Consultant

Employee Referral & Lateral Recruitment Operations

- Managed employee-referral and lateral recruitment operations, vendor partners and **five seasons of the Referral Premier League** engagement program.
- Referral hiring contribution rose **from 21% to 56%** while external vendor dependency fell **from 18% to 2%** across the broader referral/RPL journey.

Jan 2014 – Dec 2016

Consultant

Employee Referral Program & Recruitment Operations

- Ran the Employee Referral Program and recruitment operations, forming the foundation for later referral-program and hiring-operations leadership.

PayMate India

Aug 2006 – Jan 2014 · 7.5 years

Aug 2006 – Jan 2014

Manager — Information Systems & Security

Technology and security foundation

- Managed **infrastructure and network operations** and servers, including off-site web/database server maintenance.
- Managed IT vendors and assets, procurement, backups and IT policies.
- Supported **PCI DSS** compliance.

EARLIER CAREER · CREATIVE & TECHNOLOGY FOUNDATIONS

2005 – 2006 **Nazara Technologies** · Senior Graphic Designer — mobile-game graphics, applications, wallpapers and themes

2003 – 2004 **ZICA Studios** · System Administrator cum Graphic Designer — systems/LAN support, website, video editing, multimedia

2003 **ITM** · Computer Lab In Charge / Web Designer — computer-lab operations and web design

2002 – 2003 **Image Institute** · Faculty cum Center Coordinator — multimedia education and center coordination
